This book is closely tied to the new curriculum, with extracts from the curriculum itself and lesson plans and teaching ideas for every area. This book will equip non-specialists to confidently deliver engaging and well-informed lessons, that account for the changes in the National Curriculum. This is a very practical and easy to apply programme for teaching Spanish either in your own classroom, or to implement across the school in the role of a co-ordinator

Unwittingly chosen to join an army of fairies, who fight for the Light of the One, a teenaged girl learns about spiritual warfare as she attends a military academy with fantastical beings.

Written by experienced teachers and teacher trainers, this series offers practical teaching ideas within a clear, theoretical framework. Each title includes a photocopiable 'Task File' of training and reflection activities to reinforce theories and practical ideas presented.

My name is Dovey Coe and I reckon it do't matter if you like me or not. I'm here to lay the record straight, to let you know them folks saying I done a terrible thing are liars. I aim to prove it, too. I hated Parnell Caraway as much as the next person, but I didn't kill him. Dovey Coe says what's on her mind, so it's no secret that she can't stand Parnell Caraway. Parnell may be the son of the richest man in town, but he's mean and snobby, and Dovey can't stand the fact that he's courting her sister, Caroline, or the way he treats her brother, Amos, as if he were stupid just because he can't hear. So when Parnell turns up dead, and Dovey's in the room where his body is discovered, she soon finds herself on trial for murder. Can the outspoken Dovey sit still and trust a city slicker lawyer who's still wet behind the ears to get her out of the biggest mess of her life?

Designed for students preparing for the Cambridge exams, each book in this series offers both students and teachers comprehensive support, including revision sections, mini dictionaries and appendices in the students' books, and model answers, photocopiable tests and marking schemes in the teacher's books. The books can be used either as free-standing supplementary material, or as a complete exam preparation series. They are designed to develop the essential language skills and sub-skills students need for each exam paper; they also offer specific training and guidance for each part of the exams, with an abundance of practice based on realistic test tasks.
